THE TRAINED MEN AND WOMEN ARE NOT EQUAL TO THE DEMAND

THE FALL TERM OF THE STATE NORMAL SCHOOL AT MARYVILLE OPENS MONDAY, SEPTEMBER 2. In addition to the standard Collegiate Work in Arts and Sciences, this institution presents splendid opportunity and strong courses for specialization in the field of Commerce, including Home Economics Manual Training, Fine Arts, Physical Training and Agriculture. WE HAVE BEEN UNABLE TO SUPPLY THE DEMAND FOR TRAINED TEACHERS in these lines with the ability to teach one or more other subjects. The High School Graduate should remember that the Elementary Certificate may be secured in two terms, the Elementary Life Diploma in four terms, the Life Diploma and standard Bachelor's Degree in eight terms. The keeping open of our schools is a definite war service, enabling the youth of our land to develop into competent men and women through the training we are providing.

ghost story, but were unsuccessful in our search of anyone who had seen anything that looked like a ghost. However, were we disposed to build stories on hearsay, we could perhaps write a story that would set the town by the ears, even though it be devoid of all uncanny features, for it is reported that several men in that part of town nearest the ghost's favorite haunt, on account of the scare the story had given their wives and children, laid for the ghost Thursday night of last week. About the usual hour the ghost showed up and was immediately surrounded, when it proved to be one of flesh and blood in the person, so the story goes, of a well-known married woman. Just who she was the watchers refuse to divulge, relates the Higgins News.

Some people are such dillards they just won't spring briskly out of bed these sultry mornings, even though an advertiser in the Chillicothe Constitution offers this alluring suggestion: "Jump from bed in morning and drink hot water."—Kansas City Times.
